

XXI Coloquio Latinoamericano de Álgebra

This is to certify that

Wilson Arley Martinez
Universidad del Cauca

presented the poster “Construction of Rota^m – Algebras and Ballot^m – Algebras from Associative Algebras with a Rota-Baxter morphism and a Rota-Baxter Operator of Weights Three and Two” at the XXI Coloquio Latinoamericano de Álgebra that took place in Buenos Aires, Argentina, from July 25 to 29, 2016.
